

SONQUEST RAINFOREST

by Jamie Owens Collins

Spoken:

SonQuest Rainforest

With the colors of the jungle all around us,
Amazing plants and animals surround us!
We're following Jesus on the adventure of
our lives;
Discovering His love for us, God's Word will
come alive!

Chorus:

**We're on a SonQuest,
we're following Jesus;
This is our one quest,
to go where He leads us!
Let's explore the wonders of God's love
In the SonQuest Rainforest!**

Bridge:

SonQuest Rainforest! (Get it! Get found!)
SonQuest Rainforest! (Get it! Get God's love!)
SonQuest Rainforest! (Get praying!
Get going!)
SonQuest Rainforest!

Hear the mighty waterfall
and see the rainbow;
Feel the raindrops on your face
and smell the cocoa;
We're following Jesus on the adventure of
our lives;
Discovering His love for us, God's Word will
come alive!

Repeat Chorus and Bridge
